Objective

Enthusiastic and highly motivated MCA student with a strong foundation in web development and software engineering. Passionate about using technical skills in HTML, CSS, JavaScript, React, and Java to contribute to challenging projects and innovate solutions. Looking for an opportunity to grow as a developer and make meaningful contributions to an organization.

Education

- **Master of Computer Applications (MCA)**
  Babu Banarasi Das University, 2023
  Percentage: 87%

- **Bachelor of Computer Applications (BCA)**
  Kamla Nehru Institute of Physical and Social Sciences, 2022
  Percentage: 71%

- **Higher Secondary (12th)**
  SBSCIC Bhanavigarh, Raicha Sultanpur, 2019
  Percentage: 78%

- **Secondary (10th)**
  SBSCIC Bhanavigarh, Raicha Sultanpur, 2017
  Percentage: 76%

Skills

- **Programming Languages:** HTML, CSS, JavaScript, C, Java

- **Frameworks/Libraries:** React

- **Databases:** SQL (Basic & Intermediate)

- **Tools:** Git, Visual Studio Code, Eclipse

- **Other Skills:** Web Development, Software Development, Debugging, Problem Solving

Projects

- **Twitter Clone:** Developed a Twitter clone using React, implementing basic CRUD operations (create, read, update, delete) for posts, likes, and comments. Integrated Firebase for real-time data storage.

- **University Website:** Designed a fully responsive website for a university using HTML, CSS, and JavaScript. Included features like online applications, course listings, and contact information.

- **Quiz App:** Built a quiz application using React, allowing users to take quizzes with a timer and track scores. Incorporated dynamic UI elements for better user interaction.

- **Weather Website:** Developed a weather forecasting website that fetches live data from a public API. Designed an intuitive and responsive user interface using React.

Internships

- **Oasis Infobyte (Web Development Intern)**
  Duration: 1 Month
  - Worked on creating web pages using HTML, CSS, JavaScript, and React.
  - Assisted in building interactive UI components for client projects.

- **Encryptix (Web Development Intern)**
  Duration: 1 Month
  - Helped in building responsive websites.
  - Optimized websites for performance and cross-browser compatibility.

- **Prodigy Infotech (Software Development Intern)**
  Duration: 1 Month
  - Worked on Java and C-based software development tasks.
  - Involved in debugging and testing applications for quality assurance.

Certifications

- **HackerRank Java Certificate**

- **HackerRank Basic SQL Certificate**

- **HackerRank Intermediate SQL Certificate**

- **Infosys Twitter Clone Certificate**

Additional Information

- **Languages Known:** English, Hindi

- **Hobbies:** Coding.
